Re: EDI Cum Roll

Please be advised that Mark IV Automotive will be setting both the cum required and cum received to zero (0) on January 1st, 2009. The new cum required will be available on the first 830 Material Release/862 Ship Schedule transmitted the week of January 1st.

Shipments received on or after January 1st will be posted to the 2009 cum, even if shipped prior to January 1st.

If you have any questions or concerns please do not hesitate to contact me.

Thank you,
