Re: EDI Cum Roll

Please be advised that Mark IV Automotive will be setting both cum required and cum received to zero (0) on January 1<sup>st</sup>, 2011. The new cum required will be available on the first 830 Material Release/862 Ship Schedule transmitted the week of January 2<sup>rd</sup>.

Shipments received on or after January 1<sup>st</sup> will be posted to the 2011 cum, even if shipped prior to January 1<sup>st</sup>.

Please contact me with any questions or concerns you may have regarding the cum roll.

Thank you,
