

January 29, 2009

The information contained herein has been prepared for illustrative purposes only and does not purport to contain all of the information that a party may desire when evaluating a company. In all cases, you should conduct your own investigation and analysis of the Company and the data set forth in this presentation. None of Sun Capital Partners, Inc., the Company or any of their respective affiliates, equity holders, directors, officers, employees or agents makes any representation or warranty as to the accuracy or completeness of the information contained in this presentation or made available in connection with any further investigation of the Company. This includes, without limitation, any estimates or projections and none of Sun Capital Partners, Inc., the Company or any of their respective affiliates, equity holders, directors, officers, employees or agents shall have any liability for any statements (expressed or implied) contained in, or for any omissions from, this presentation or any other written or oral communications transmitted to the recipient hereof in the course of its evaluation of the Company nor should anything contained herein be relied upon as a promise, representation or warranty regarding future events or performance of the Company. Moreover, the information contained herein speaks as of the date hereof; none of Sun Capital Partners, Inc., the Company or any of their respective affiliates, equity holders, directors, officers, employees or agents shall have any obligation to update any such information.

The forecasts and projections contained herein are based on a number of estimates and assumptions which are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond the control of Sun Capital Partners, Inc., the Company and their respective affiliates, equity holders, directors, officers, employees and agents. The forecasts and projections are also based on assumptions with respect to future business decisions on the part of the Company, their customers and others, all of which are subject to change. There is no assurance that the forecasts and projections will be realized. Actual results achieved may vary significantly from those shown herein and such differences may be material. Under no circumstances should such information be construed as representation or prediction that the Company will achieve or is likely to achieve any particular results.
